

खेती से उन्नति, किसान से प्रगति
Connect | Operate | Control

A close-up photograph of a small green seedling with several leaves growing out of dark, rich soil. The background is blurred, showing more plants in a field.

“ WE TALK ABOUT OUR COMPANY ”

Galaxy Enterprise, based in Rajkot, Gujarat, is a growing and trusted name in the electrical manufacturing industry. Building on years of expertise and industry knowledge, we specialize in the manufacturing of high-quality Submersible Starters, engineered for reliability, durability, and consistent performance.

From the very beginning, Galaxy Enterprise has been committed to excellence through precision engineering, innovative design, and the use of superior-grade materials. Our modern manufacturing setup, combined with a skilled and dedicated workforce, ensures that every product meets stringent quality standards and exceeds customer expectations.
